

## Central Trinity United Methodist Church Intentional Faith Development Opportunities

The followers of Jesus mature in faith by learning together in community. Christian faith is not dynamic. It requires cultivation. Growing in Christ requires more than weekly worship, and it is through Intentional Faith Development that God's Spirit works in us, perfecting us in the practice of love as we grow in the knowledge and love of God. We learn the life of Christ and the will of God by studying God's Word and through experience with other people of faith.
